

SUMMER SOCIAL SKILLS GROUPS

Description: Groups are available that will provide children and adolescents with skills, strategies, and practice opportunities in targeted skill areas such as appropriate body language, initiating and maintaining conversations, conflict resolution, and friendship building.

When: This is a six week program during the months of July and August, with weekly 2 hour sessions. Specific day and time will be finalized based on participant availability.

Who: Children who experience difficulty interacting successfully with others, building and maintaining friendships, and managing emotions in social situations. This group may benefit children and adolescents with Autism Spectrum Disorders but is not limited. We work to match participants based on age and specific strengths and needs.

Cost of the Program: \$600

Call today to set up and intake that will help us to determine if a summer group may be appropriate for your child!
